The Principal
Western Province Prep School
Claremont

Dear Mr Weaver

The Management and residents of Arcadia Place, Observatory would like to thank the staff and learners for inviting our residents to attend an afternoon of music at your School. All the residents that attended were impressed with the talent of the children. It is always good for the elderly to go out especially to see children.

And thank you for providing transport as well.

Your kind gesture is much appreciated.

Yours faithfully

Nodoza Msadu
